

BERYL IVEY LIBRARY

RELIGIOUS STUDIES RESOURCES

*The purpose of this pathfinder is to provide you with a means to begin your search for information in **Religious Studies**. It offers you an introduction to both print and electronic resources that can be found in the library. For assistance in locating materials or searching databases for journal articles, please see the library staff at the desk. Remember, we're here to help! Please also note that because the Beryl Ivey Library is relatively small, the number of books available on certain world religions, such as Islam or Judaism, is limited.*
