Checklist for Incoming Students (Sept. 2021)

## STEP 1 - Sign up for Summer Orientation.

Visit the Brescia website to sign up for [Summer Orientation](#) via the online form. You will have the option to select a live information session for your academic program AND book your one-on-one course advising appointment with Brescia staff.

---

## STEP 2 - Review Orientation Videos and Resources.

Learn from Brescia experts in the areas of Financial Aid, Student Life and Academic Advising. These online videos and resources are the start to a successful university transition.

---

## STEP 3 - Attend Your Academic Program Information Session.

Join fellow #BresciaBound students for a live information session that is specific to your academic area of choice. Learn about required courses, module options and more. Registration for an academic program information session is included in your Summer Orientation registration.

---

## STEP 4 - Attend Your One-On-One Course Advising Appointment.

Your course advisor will discuss future education/career goals and support you with choosing your classes. Due to volume, appointments are 45 minutes in length (max). We urge students to prepare in advance by reviewing your program requirements and first year course offerings.

---

## STEP 5 - Draft Your Class Schedule

Now that you have the tools, resources, and knowledge – It is time to draft your academic timetable. Log in to Student Center ([student.uwo.ca](http://student.uwo.ca)) and open the [Draft My Schedule](#) tool. If you need support, you can review the Draft My Schedule video or book a “Timetable Support” appointment with a Student Ambassador.

---

## STEP 6 - Register in Your Courses.

Log in to Student Center ([student.uwo.ca](http://student.uwo.ca)) and officially enroll in your courses for September. As a first-year student, you will select courses from the 0100–1999 range. Once you add or drop courses on the web, your record will be updated in real time. Course registration will remain available online between June and September.
